Another Day In Paradise

"No one has ascended to heaven but He who came down from heaven, that is, the Son of Man who is in heaven" (John 3:13).

"No one has ascended into heaven except He [Jesus] who also descended" (John 3:13; NKJV)… is a heavenly truth that should send shockwaves of revelation through the church – that is – unless you already understand who Jesus is, and who you are… as someone who existed in God's presence before the foundation of the world (Eph. 1:4). Yet it is the Lord's fourth point within this single sentence of exquisite importance: Jesus is standing on earth when He says, "Who is in heaven." How can Jesus be on earth and in heaven at the same time? This is not difficult if you fully understand Who Jesus is – and what Heaven is – so I invite readers to read "Image" (book #3), "Here" (book #8), and "Make Right" (book #14) to learn more.

Jesus is the King of Heaven.

Heaven is – the presence of Jesus.

Jesus said, "The kingdom of heaven is at hand."

The kingdom of heaven… is wherever King Jesus is!

Paradise is Heaven on Earth when we host the presence of Jesus in our heart – both now and eternally.

Jesus is the King of Heaven, and wherever King Jesus goes – He takes territory to establish His kingdom. Jesus is the Divine Doorway through whom the kingdom of heaven is established on earth and in our hearts. So I ask: is Jesus in your heart? If you say yes, then the first door Jesus established is in your heart – through faith in Him – and now He wants to take more territory – through you! You were saved and given a commission to advance His kingdom on earth.

> "The kingdom of God is within you" (Luke 17:21).

Jesus never promised us Heaven, the apostles never preached it and our creeds don't teach it. Spend a year or a lifetime searching this truth (or read book #8) and it will liberate you from the bondage of numerous manmade doctrines and ordinances which contradict what Jesus purposed to accomplish through you – since the beginning! You were activated by grace through faith to operate as a born again disciple of Christ (with the Spirit of Christ dwelling in you) to usher in a regime change on earth – from the kingdom of darkness to the kingdom of heaven! You are citizens of Heaven but your rightful place and proper '*oiketerion*' domain is – Earth!!!

Our liberty in Christ is not about an obligation to a sacrificial system, nor does it have much to do with sacrifices, offerings, devotions, works or whatever; it is about obedience to King Jesus, through faith, that includes works of righteousness in His name whereby grace is released in us – to produce greater works.

The truth in this website was revealed long ago; it is not a new concept, but it seems to have been hidden from our understanding until the Spirit of wisdom and understanding should make it known again. This spiritual wisdom cannot be learned from anyone; this wisdom is given to all by the Holy Spirit, who speaks the words of Christ to those who seek truth. And He wants to speak truth to you – and revelation as well. Truth needs no defense… just let it out and truth defends itself.

> "When you search for me with all your heart and soul, you will find me." (Deut. 4:29; Matt. 7:7).

Revelation – Transformation – Restoration

There is a difference between faith, true faith and saving faith. Redemption is what the Lord did to save us, and He established salvation as a three-step process: conversion (justification), sanctification (transformation) and resurrection (glorification). Belief alone cannot save us; even demons believe – and tremble. True faith (sanctification) – is our willingness to be changed whereby we are continually transformed by truth with revelation and born again to possess saving faith (glorification) – and – continue Christ's work on Earth through the anointing and empowering of the Holy Spirit.

Our faith journey is all about transformation and our willingness to surrender and be changed into the image we had before we entered into sin.
