Does My Life Have Meaning?
The Search Begins

Our greatest search in life begins when we seek God and yearn to understand who God is.

"When you search for me will all your heart and soul, you will find me" (Deut. 4:29; Matt. 7:7)

Our second greatest search is the quest for identity. If you could ask God one question, most people would ask: who am I? What is my purpose in life, and why am I driven to know the reason "why"? Life on this planet is confusing, but deep down you know you are special and you have a divine purpose. You have a destiny. Discovering Jesus and developing a relationship with Him is how we discover our true identity because we get our identity from Jesus.

When we find God, we find our self in the process.

Does my life have meaning and purpose? Yes!

The search for meaning and purpose is timeless. God created you on purpose for a purpose. The reason is general – but your purpose is specific. God concealed this purpose from you, which requires you to seek Him and talk to Him about it. He did not hide it ***from*** you – He hid it ***for*** you to find. God has a secret plan for you. Finding and fulfilling your purpose in life is what gives meaning to life… when you walk this path with Him. Your adventure begins when you decide to surrender your plan to discover God's truth and His plan for your life. The blueprint for your life was prepared before you were born. You were predestined (Prov. 8:22, 23; Romans 8:29, 30; Eph. 1:4, 5). This ministry will help you discover and live out your destiny in Christ.

The journey to discover – is the journey within.
God's been hiding in you to find Him the whole time.
The Divine – dwells within (Eph. 4:6).

God's '***machashabah***' thoughts and plans for you – ARE GOOD – ALL THE TIME!!!

> "For I know the ***thoughts*** that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. [12] Then you will call upon Me and go and pray to Me, and I will listen to you. [13] And you will seek Me and find Me, when you search for Me with all your heart" (Jer. 29:11-13).

What God thinks about you is truly incredible – and – He thinks about you a lot. Most of us have believed many negative things about our identity, but God's truth says He created you good and upright… a little lower than angels … and He crowned you with glory and honor (Psa. 8). You may not agree with this, so read "The Renewed Mind" to learn about hundreds of other positive things God says about you – and start living your destiny. Your search for answers begins each new day – when you set aside your agenda to ask Him what His agenda is. Talk to

Him as you would a friend. How you begin this search in the morning sets the tone for the rest of the day. Be imitators of God (Eph. 5:1)… and fulfill your destiny in Christ.

What is the meaning of life?
The true meaning of life is to live the true meaning of love.

What is the Big Picture of life on earth?
Man was created for the earth – and earth was created for man.
Man was created to be partners with God in the stewardship of earth.

You and I are on earth for a diversity of reasons. Our primary reason is: to occupy earth and have dominion over it (Gen. 1:26) as God's representatives who govern and steward it under His authority – with His power. Secondly, you were sent as a soldier of light into the kingdom of darkness to disperse darkness with light. This is why Jesus said: "You are the light of the world" (Matt. 5:14). You were sent here – as a servant soldier – to usher in a regime change from darkness to light. Jesus put the light in you (which is your spirit; Prov. 20:27) and He sent you here to act like Him – and overcome the works of darkness with goodness, truth and love. The darkness, however, uses chaos, lies and confusion to deceive you – and now all darkness wants to do… is kill and destroy you! You were born into a corrupt and deceitful world that is hell-bent on your total destruction – but you must rise above it – with the empowering of the Holy Spirit – which Jesus sent to help us accomplish our mission!

No one gets off planet earth alive.

The human body is just a temporary earth suit (a vessel) to accomplish your mission. When it dies, you continue on. Your soul is eternal – and it will continue to live eternally (Psa. 49:8, 9), but where you wind up on the other side is entirely based upon what you did (or didn't do) on earth. Everyone makes choices every day about what to do – and why. Our motivation for doing anything is known by God who searches our thoughts – and the intents of our heart (Heb. 4:12).

> "He [God] has made everything beautiful in its time. Also He has put eternity in their hearts, except that no one can find out the work that God does from beginning to end" (Eccl. 3:11).

Can anyone find out from beginning to end what God is doing and what He planned? The truths found within these books suggest it's possible. These books constitute the revelatory journey of one man since 2012 to find "the meaning" behind what God is doing – under the guidance and direction of the Holy Spirit. All truths line up with scripture and God's big picture, but some of our doctrines may be seen as problematic.

If you want to know what God knows, then you need to know who Jesus is. It's that simple! Read these books and discover many truths the institutional church refuses to teach on Sunday.

The institutional church (not the church triumphant) has created multitudes of doctrines to explain the heaven it wants…which allows everyone with faith in Jesus into heaven, even sinful saints… but this is not the heaven that is. For starters: Jesus never promised us heaven, the

apostles never preached it and our creeds don't teach it. If you want the truth, then you must diligently study the scriptures and seek to understand it… or you can take a shortcut and read what the Holy Spirit revealed to me. Thousands of scripture references are all laid out in linear systematic order to explain hundreds of questions we have about God, eternity, salvation, end times – and the Day of Judgment and Resurrection. Yes, judgment precedes resurrection!

To discover your purpose in the Lord's kingdom, all you have to do is get still and quiet – and ask Him – and wait for the small still voice to answer you.
