What is the big picture regarding "why" man is upon the earth?

If mankind knew why we are here – and understood man's reason for being on earth and God's purpose under heaven, then our perception would become dramatically changed and realigned to embrace a New Earth dominion mindset. The answer to this question "why are you here" is woven within the pages of these books, but first let me ask you another question: how did you get here? If you believe the message thus far that your soul is eternal and you are a spiritual being having a human experience, then how did you get here? All I can say is: keep reading.

"What is man that God is mindful of him?"

If you want to understand who you are and why you are here, then the first thing you need to understand is this: the soul is eternal (Psa. 49:8, 9) and you need to comprehend **what** you were before you got here… and what you will be doing in eternity. This is the big picture! Life as you know it – now – is a short temporary period of humanity within the midst of eternity.

We are sojourners sent to live upon the earth with one purpose: to have dominion (Gen. 1:26). We were created for the earth, the earth was created of us, and earth is our proper domain and eternal home. We are the host of earth (Gen. 2:1) and we were sent to invade earth with the atmosphere of heaven. You are an earth invader, and you were sent to usher in a regime change from darkness to light. We were sent by God as the clean-up crew to depose Satan who set up the kingdom of darkness (aka "this world") after the war in heaven spilled over onto earth, but we were tricked into delivering our authority to Satan and then the clean-up mission became a rescue and recovery mission as well. There is a world of darkness that covers the earth (Gen. 1:2) and you were sent with grace and the light of truth (Matt. 5:14) into the world to make war against principalities and powers of darkness (Eph. 3:9-12).

Jesus told us: "You are the light of the world" (Matt. 5:14). "You are sons of light" (1 Thess. 5:5) and "children of light" (Eph. 5:8) and since you are an adopted child of God through faith in Jesus Christ, then you are "heirs" of the kingdom (Rom. 8:17; Matt. 25:34).

Jesus, however, never promised us Heaven because Earth is our rightful place and eternal home.

You were sent as a child of light to disperse the darkness with the light of truth. So I ask: if your soul is eternal both pre and post humanity (Psa. 49:8, 9), then how did you get here? Get ready: you got here the same way Jesus did (by the overshadowing of the Holy Spirit).

What is your purpose for being on earth? Have dominion… and bring order to the chaos! Confusion abounds on this planet because Satan's plan is to destroy everything on earth and every person as well. What is man? In order to understand this question, you need to see your identity from God's perspective. You are the Lord's representative to steward the earth, and you were sent here as an ambassador, servant-soldier and worshipping-warrior into enemy territory (this world) to destroy the works of Satan and take back what was stolen from God – your brethren and the earth as well.

Every story has a beginning and an end, and yet… this story is happening during one season in eternity which continues after you die… and it existed before the beginning in Genesis.

> "Then God blessed them, and God said to them, "Be fruitful and multiply; ***fill the earth and subdue it***; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves [about] on the earth" (Gen. 1:28).

<u>*Fill*</u> (the earth) is the word (*male*-H4390) which also means: replenish!
Replenish the Earth – and fill it.
This word is one of the keys to understand
the generations (plural) of Heaven and Earth…
and also the generations of man…
and it's all going according to Plan!

"You send forth Your Spirit, they are created;
and You **renew** the face of the earth" (Psa. 104:30).

There was existence … before the beginning.
There will always be existence… in eternity.
